

Prophetic Word Given By Bishop Clarice Fluitt on December 20, 2009  
At The Eagles Nest World Prayer and Training Center

For the Lord would say, "In this season there are plots, plans, schemes, thoughts, and ideas to bring destruction and disruption into the United States of America. As believers, in the name of Jesus, take authority over all these plans. Pray for your military and your allies.

Corporately ask the Father for supernatural intervention in the name of Jesus.

Declare to those plans of destruction - "Release God's plans into operation!" As secret agents of the Most High God, summon the fountains of the deep against the evil assignments that are being made. In Jesus' name, break those assignments now!

To the workers of iniquity, say to them - "There will be mistrust and no power of agreement among you." Prophecy to bombs and weapons that are being made and speak the Word of God like a laser, say to those weapons "You will not function!" Address the plans of chemical warfare - "You will not, you shall not come upon this land!" Speak to those making decisions regarding nuclear plants - "Be vigilant and do your job!"

Prophecy to the plans to harm and disarm America -- Destroy those plans. Awaken the intercessors throughout the body of Christ. In this season the watchmen will be on the wall as never before. Pray when I wake you. Stand up and take your turn. When I wake you at 2 o'clock, when I wake you at 3 o'clock, when I wake you at 4 o'clock. Go with me in the Spirit to Iran, to Afghanistan, to Iraq, to Russia, to Korea. Now I go to Iran where grievous alliances are being formed to bring destruction and disruption to Israel. Corporately send forth the Word of God on Israel's behalf. You have superior air power as you proclaim the Word of God - release it out of Zion, the dwelling place of God. Call on the mighty angels of God. Call on Michael, the mighty archangel; summon him with the word of faith. Surround the boundaries of the United States of America with the blood of Jesus! Go with me in the Spirit to Israel where there are wicked plans to bomb Israel. Break those powers now! Speak to the spirit of madness and insanity and the destruction of mankind and wicked alliances. You are bound in Jesus name.

From December 20th, 2009, to January 15th, 2010, you must be a vigilant people. You must choose to release the Word of God.

Fresh measures of authority are now being released. I am seeking men and women who will stand in the stead of Christ and activate, and ratify my Word. They will open up their mouth and truly proclaim the finished work of Calvary!

There is a change, a shift of powers. I am releasing mantles of incredible healing. I am releasing and raising up healers. The man, Oral Roberts, has crossed over and portions of his mantle have fallen upon thousands throughout the face of the earth.

I have released an incredible call for fiery evangelists to proclaim salvation upon the face of the earth. The man-child's head is crowning. Wise and prudent counselors are being brought forth and the gift of wisdom is coming upon men and women that will have divine strategies and they shall have a voice of consequence.

Listen and learn. In the arena of currency exchange, great wealth is about to be released. In the arena of medical research concerning Alzheimer's, dementia, and bipolar disease -- the things that have come to attack and distract the mind -- great discoveries are being made today as I am releasing divine understanding and the curtains of heaven are being opened regarding this.

Loose your prayers of faith and power into the heavens. Pray for those men and women who have been sent forth from the United States of America and your allies and speak fresh strength to them. Speak fresh joy to them. Strengthen the hands that hang down.

Concerning the economy, I am releasing an avenue of revenue into the kingdom of God. I have trapped the money that is foolishly being poured down a rat hole. Grab it right now by faith and SPEAK TO IT! Bring it into the kingdom of God. All the money that has been appropriated for illegal drugs -- Bring it into the kingdom of God. Money that is being appropriated for pornography - Bring it into the kingdom of God. Money that is being appropriated for slavery, where children are being stolen and sold for sex slaves - Break these curses in the name of Jesus! Take this money from the kingdom of darkness and transfer this money into the kingdom of God!!

I have raised up a prophetic people that have divine clout in their shout. Their mouths will open and My Words shall be released like heat seeking missiles that will not miss their mark. These watchmen are border protectors. I am sending them out to walk the borders of the earth. Some will go north, some will go south, some will go east, and some will go west. Many of them will surround the United States of America with their prayers. They will become vigilant watchmen. They will open their mouth and angelic forces will annihilate plans to destroy this land. Though evil plans have been made, they shall be dismissed. I have given to you the keys to the kingdom of God. Unlock the doors and release the revelation of the Christ to Iran, Iraq, Afghanistan, Korea, and to all the Eastern nations.

To China

A great cry of victory shall come forth out of China. Remarkable miracles. Ridiculous miracles are coming out of China. My hand is upon China. They are not victims but victors. They shall bring forth incredible demonstrations of the Spirit of God. They shall be transported in the spirit. They will see the unseen. Hell is angered. Heaven is happy!

As far as the East is from the West, I have brought these two (USA and China) together, and they shall bless one another. They are not sisters and brothers of another mother (the church). The system of grace has taken its place and out of China millions and millions are about to rise and they shall not be stopped. Millions will flow into the kingdom. Millions will come because China has loaned money to America. Yea, saith

the Lord, America! Do not say you are in debt to China because China has loaned to money to America. America! You are the land that has launched more missionaries than any other nation on the face of the earth. Now in return I shall launch out from China a blessing from the kingdom of God unequal to anything the earth has seen. I am a re-payer. I am a re-payer, saith God. For when you loan to the poor, you loan to God!! America, your debt shall produce incredible riches in other arenas. This is not to make you jealous, but to make you zealous. Awaken to your calling.

For this is the Word of the Lord.
